IRAQ

THE COMMERCIAL HUB OF THE MIDDLE EAST AND GULF REGION

Iraq stands out as a **key commercial hub** in the Middle East and Gulf region. Its **strong economic growth**, abundant **energy resources**, and **strategic location** make it one of the leading business destinations in the area. The opportunities the country offers create an **attractive framework** for **international investors**. Positioned at the heart of commerce, Iraq serves as a vital trade partner for both the Middle East and Gulf region, playing an essential role for **key players in the area**.

BUILDING PARTNERSHIPS FOR A FUTURE OF GROWTH

WHERE INNOVATION MEETS OPPORTUNITY

Iraq's dynamic market offers **unparalleled opportunities for global businesses**. Strategically located at the crossroads of the **Middle East**, it provides access to **key markets in Europe, Asia, and the Gulf**. With its vast oil and gas reserves driving the economy, Iraq is a hub for **energy-related industries** to attract foreign investment, easing entry for international companies and serving as a destination for investors in the **Middle East**.
